BOOKING FORM

ORAL/DENTAL EXAMINATION AND TREATMENT

Write down your name, telephone number and the name of your horse if you want your horse to be examined and if necessary treated on the following date.

Date:

Name	Telephone	Horse
1.	_____	_____
2.	_____	_____
3.	_____	_____
4.	_____	_____
5.	_____	_____
6.	_____	_____
7.	_____	_____
8.	_____	_____

The client needs to be present during examination and treatment. All examinations and treatments will take place in one horse stall that will be made available.

Horses need to be vaccinated against Tetanus. Horses will receive a standard sedation so to provide quality work. Examination and treatment take about 45 minutes to an hour per horse.

For any other questions please feel free to contact EQUINE DENTAL & VETERINARY CARE.
